Village and Town.

—Typical March weather.

—The auction season is here.

—Additional local matter on first page.

—The pay of the rural delivery carriers has been increased from $500 to $600.

—Notwithstanding a commendable effort was made to nominate a union ticket for village officers, it failed and both Republicans and Democrats have a ticket in the field.

—Mr. I. K. Stafford, representative of Helderberg Lodge, No. 447, A. O. U. W., attended a meeting of the Grand Lodge at Rochester this week.

—Mr. William Henry Furbeck, of Settle's Hill, fell Thursday morning and dislocated his shoulder. Dr. Frederic Crounse attended him.

—Several of our residents, relatives of Mrs. Edward Ostrander, of New York, who is quite well known here, attended her funeral in Albany, Monday.

—The Social Workers of the Reformed church will meet at the home of Mrs. Elias Gray, Thursday afternoon, Mar. 13, 1902. Come prepared to work.

—"Some of the people we meet," at the Lecture Room of the Lutheran church, next Thursday evening. Be sure and hear this popular lecture.

—The W. C. T. U. have changed their time of meeting to Fridays. The next meeting will be at Mrs. R. C. Simmons', Friday, March 14. A full attendance of the members is desired

—The time has arrived when a young man cannot hold a good position in any line of business unless he is sober, industrious and trustworthy. This is worthy of note by young people

—The month of March is certainly keeping good its reputation for changeable and unpleasant weather. A severe thaw and a heavy snow storm, all in one week, is a record of which she may well feel proud.

—Marshall E. Brownell, father of Roy Brownell, late of Berne, was found dead along side of the railroad tracks in New City, Rockland Co, Saturday afternoon, March 1st It is supposed that he injured himself by falling and died from exposure. His remains were interred at Schoharie, Monday.

—The thaw which set in last week, followed by rain, has come and gone. The snow disappeared almost as rapidly as it came and our streets were flooded for a time. Fortunately no large stream flows through the village and we suffered no material damage; but in many parts of the country great loss was occasioned

—Encouraging reports relative to the proposed electric road from Schenectady to this village have been received. Mr. Sand recently received a letter from Mr. Frazer, vice-president of the Schenectady Electric Railroad company, stating that a survey of the proposed route would be made as soon as the weather would permit. Let all use their best endeavor to help along the project.

—Work on the new school building is progressing finely. A. J. Manchester, who has the contract for heating, has the plant installed and it is said to work finely. The building is now in shape so that the interior work can be completed. A large portion of the building is already lathed and plastering has been commenced, George Weaver, another local workman, having the contract. We may now look for an early completion of the building

—After several weeks of suffering Mrs. Robert Hurst passed peacefully away on Sunday evening, March 2, 1902, surrounded by her husband and family. The funeral was held from her late residence on Helderberg Ave., on Wednesday afternoon, her pastor, Rev. O. T. Fletcher, officiating. Interment at Mt. Pleasant cemetery, New Salem. She is survived by her husband, four sons, David, Alvenus, Walter and Frank, and two daughters, Margaret and Ida. Mrs. Hurst was a member of the Altamont Reformed church, joining by letter from the New Salem church several years ago. The church loses a faithful and consistent member and the home a loving and devoted wife and mother. Mrs. Hurst was 72 years of age.

Lutheran Church Matters.

On next Thursday evening, the 18th inst., Rev. W. Gardner Thrall will give his popular lecture, "Some of the People We Meet," in the Lecture Room of the church, at 7:45 o'clock. This lecture is full of humorous character sketches and cannot fail to please. It always calls forth words of praise from all who hear it. The speaker needs no recommend to the people here as he is well known to all. Admission to the lecture has been placed at only ten cents in order that old and young may have the privilege of hearing it.

Also arrangements have been completed for a concert in the Lecture Room of the church by the "Western Jubilee Singers," on the evening of the 24th of this present month. This concert promises to be one of the best that has ever been rendered in Altamont by a like troop. Further announcement will be made later.

For The Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe thorough and gentle. The very best pills. Joseph Snyder.

Berne.

Mr. Sylvanus Weidman is in Albany as a juror.

Eggs have been selling at 28 cents, an unusually high price with us.

Mrs. William Snively, with her two sons, has been visiting her father, Rev Mr. Kling. Mrs. Snively left on Monday for her new home in Detroit, Mich.

Owing to the storm the work toward the foundation of the creamery has not been accomplished. March is not usually a favorable month for building operations.

Mr. D. A. Hinman, who has been practicing law in Berne for the last six years, has left for Yonkers, where he enters upon a partnership with Mr. Jos. Bernstein. Mr. Hinman has made many friends in Berne, who sincerely regret his change of residence, while wishing him every possible success in his new home.

Another blizzard swept over this part of the world on Wednesday. Roads were blocked and business generally came to a stand still. The rains of last week raised the water everywhere, and low lands were flooded. The lower dam was broken in several places by the ice, and the bulkhead in the upper dam injured.

Letter to Dayton Whipple.

Altamont, N. Y.

Dear Sir: You know how well it pays to keep your carriages painted, both for looks and to keep out water. It pays as well to paint your barn and your house. We put your barn first, because that is your business—your customers see it.

You see, there are two good reasons for paint; one is looks; the other is wear. If you paint for looks, the wear will take care of itself.

Paint often for looks; and use good paint for both looks and wear.

The best paint is Devoe lead and zinc ground together by machinery; same proportions as are used by the U. S. Government. It wears twice as long as lead and oil mixed by hand.

Yours very truly,

WHY MEN GROW WEAK.

Dr. Greene's Nervura Makes Men Healthy, Strong, Vigorous, Powerful.

'Tis indeed the pace which kills. It is not work which injures, it is overwork, worry, confinement, over-taxing the strength, strain upon nerve and body, dissipation or spring debility, which breaks down the health, weakens the nerves, exhausts the body. You become weak, nervous, restless, or fretful; have dizziness, bad-feeling head and unsteady and trembling nerves, strange sensations, a feeling of anxiety, gloom, and discouragement; you are sleepless, and wake tired and unrefreshed; appetite and digestion fail, and you have kidney and liver complaint, constipation, rheumatism—and finally nervous prostration, heart failure, paralysis, insanity—death.

Now, what is the remedy? Obviously something which will rebuild the shattered nerves, restore tone and vitality to the blood, brain, and nerves, and strengthen and invigorate all the organs of the body. There is nothing else known which will so completely and perfectly do this as Dr. Greene's Nervura blood and nerve remedy, that grandest of medicines, which is restoring the health of the people, recognized at the present day as the master remedy of the world.

The well-known druggist, Charles W. Eggleston, Esq., 329 Park Ave., Worcester, Mass., says:

"Some time ago I was taken with nervous prostration. I suffered terribly with my nerves and could get no sleep at all. I became fearfully exhausted, my stomach was in a terrible condition from dyspepsia, and I could eat hardly anything.

"I used several medicines, but without benefit. Being in the drug business myself, and having had many customers speak in the highest terms of Dr. Greene's Nervura blood and nerve remedy, I determined to try it. After taking only one-half bottle I began to feel much better. I slept soundly all night, and my appetite was splendid. After taking three bottles, I ate three square meals a day and had not the slightest distress. My nerves were perfectly strong and I felt like a new man, being completely cured of all my troubles. Out of the respect I bear the manufacturers of Dr. Greene's Nervura blood and nerve remedy, and my desire to have the sick and suffering made well and strong, I heartily recommend it to people who are sick, and especially to people who are the same as I was, nervous and inclined toward dyspepsia and indigestion, and suffering from not being able to sleep well at night."

Especially do men grow weak in spring from the change of season, and every one needs a spring medicine and should take this best of spring remedies, Dr. Greene's Nervura blood and nerve remedy. It is not a patent medicine, but the prescription of a famous physician, and is therefore exactly adapted to cure. It has standing behind it the most famous and successful specialist in curing nervous, chronic, or lingering diseases, Dr. Greene, 101 Fifth Avenue, New York City, and an added value and assurance of cure is given to this wonderful remedy because the Doctor can be consulted, without charge, about your case, personally or by writing to him.
