BASEBALL NEWS.

Saturday afternoon the Slingerlands team defeated the Lindsays of Albany, the score being 6 and 4. The game was tame throughout. There was a good attendance.

Smith, who started to pitch for the Lindsays, failed to make good. He hit three batters, issued one pass, allowing two three-baggers, a double and three singles and a wild pitch in the first four innings. He was then relieved by Baxter, who pitched a good game, allowing but one hit and no scores.

Barry, first up in the eighth, hit for three bases and went home on a bad throw to catch him at third, but was declared out for cutting first base by three feet. The score:

Slingerlands..... 2 4 0 0 0 0 0 6
Lindsays..... 2 0 1 0 1 0 0 4
Two-base hits—Callahan, Baxter. Three-base hits—H. Sager, Mahoney, Barry, Baxter. Sacrifices—Smith, (2), Abele. Left on bases—Slingerlands 6; Lindsays, 4. Stolen bases—Callahan (2), H. OUR CHURCH.

Rev. Thomas M. Bishop, Pastor. Elaborate Program Arranged in Celebration of Independence Day.

Next Sunday morning the holy communion will be administered. This Friday evening a love feast will be held at our church in preparation for the sacrament of the Lord's Supper.

Wednesday afternoon the ladies of the church met at Mrs. Haswell's and heard the report of the committee on constitution.

At the cabinet meeting Monday evening, the members were assigned to the several departments. Plans for the year were considered.

The Enlistment social held in the church parlors Wednesday evening, under the auspices of the Epworth League, was very pleasurable. The 4th vice-president, Miss Vagle, and her helper, Mrs. Arthur, had arranged a program full of surprises. A number of new members were secured.

The Ladies' Aid society and the Baseball association, are to join in holding a lawn festival at Mrs. L. E. Haswell's to-morrow evening. The committee having this celebration in charge have been very successful in raising funds for the purpose of buying a fine collection of fireworks, which will be set off in the field opposite Mrs. Haswell's residence. Nearly every person in the village has contributed toward this fund and everything is being done to make this celebration a grand success. Ice cream and lemonade will be on sale during the evening. The receipts from the sale of these refreshments will be equally divided between the church and Baseball Association.

Everything is in readiness for the big meeting to be held in the church next Sunday evening, in observance of Independence Day. An elaborate program, with many novel features, has been arranged, and the public is invited to participate in this celebration. An address will be given by the pastor of our church, the Rev. Thomas M. Bishop; their will be special music, the numbers including solos by local and out of town talent; selections from the Slingerlands orchestra, special decorations, besides several surprises in the way of entertainment. Every man and young man in the community is invited to be present, and to bring their wives, children and sweethearts. In issuing invitations it has been the object of the committee in charge to send one to every man and young man in the community. If anyone has been overlooked, it was not intentional. Everybody come anyway.

Last Sunday morning the commencement exercises arranged by the Epworth in honor of our graduates in the classes of 1909, were held in our church. Escorted by the ushers, Kenneth C. Miner, Pennsylvania, '12, Misses Edna Moat, Iona Pier and Ruth Thompson, all N. H. S. '10, the graduates marched down the aisle to seats reserved for them. The commencement address, "Learning and Life" was given by our pastor, with the aid of charts specially prepared for the occasion. He discussed the great circles of learning, labor, living and life, showed how they are linked together by creed, conduct and character and emphasized the need that those links be Christian. His concluding remarks were addressed particularly to the graduates. After the address Mrs. C. W. Frazer sang very impressively "A Learner's Prayer." Miss Prime, Miss Vagle, Miss Coughtry and the choir, assisted in the service. The young people in whose honor the service was held, and the institutions that graduated them are: Wellesley college; Miss Winifred Goldring; St. Agnes' school, Miss A. Slingerland; State Normal High school, Miss Cecile Couze, Miss Grace Goldring; Albany High school, Lloyd Coughtry; Albany Graded School, Burr Deitz, Walter Prime; Slingerlands Graded school, Miss Blanche Downing, Miss Helen C. Gorham, Miss Ruth E. Gorham, Randall W. Merrihew, Frederick Oliver.

Much complaint is heard of the dust along the state roads. The surface is worn off and the autos are pulverizing the stone bed and scattering the dust to the serious menace of public health and comfort.

The Reformed church people have raised nearly \$500 for repairs. The more ambitious improvement seem desirable to be deferred. This is regrettable, as some changes in the lecture room and church are much needed. It would seem advisable that the building funds and the repair fund be consolidated and some harmonious plan be carried out.

M. E. Church Notes.

Next Sabbath morning, the Quarterly Communion service will be held in this church. In the evening the pastor will preach on "The Exalted Nation."

Services of unusual interest were held in the church last Sunday. In the morning two stained glass memorial windows were dedicated, presented by Mr. William J. Simmons, of Philadelphia, formerly of Albany, and for some years a resident of Delmar, one in memory of his deceased wife and children and the other in memory of his parents, who had formerly been closely identified with the Delmar church. An address on Character was delivered by A. B. McAllister, Esq., of Philadelphia, after which the windows, which had been draped with American flags, were unveiled and dedicated by the pastor, Dr. Woodall, the sermon of dedication being preached by the Rev. Dr. S. B. Willman, pastor of the Spring Garden Street M. E. church of Philadelphia, of which Mr. Simmons is a member. Rev. Conrad Rowe assisted in the services. A large attendance indicated the wide interest taken in the placing of these memorial windows and it is expected that others will be donated in the near future. In the evening a union service was held and the church was crowded to the doors, the ushers being compelled to bring in chairs from the Sunday school room. Miss Georgiana Pres. of Mt. Lebanon, Syria, addressed the audience, telling of the persecution of the native Christians in Syria, of the conversion of her people from Mohammedanism, and of the manners and customs of her people. Though excessively warm, Miss Pres. by her quaint manner, charming personality, and interesting subject, held her audience spellbound for an hour. Miss Pres. after finishing her education in this country, expects to return to Syria to do mission work among her own people.

A failing tiny nerve no larger than the finest silken thread—takes from the heart its impulse, its power, its regularity. The stomach also has its hidden, or inside nerve. It was Dr. Shoop who first told us it was wrong to drug a weak or failing stomach. Heart or Kidneys. His prescription Dr. Shoop's Restorative—is directed straight for the cause of these ailments: these weak and faltering inside nerves. This, no doubt clearly explains why the Restorative has of late grown so rapidly in popularity. Druggists say that those who test the Restorative even for a few days soon become fully convinced of its wonderful merit. Anyway, don't drug the organ. Treating the cause of sickness is the only sensible and successful way. Sold by J. F. Mynderse, Altamont. J. E. Carpenter, Voorheesville.
