"Too Tired"

A healthy person never feels constantly tired. Being too tired continually is a sign of something wrong. Women who find themselves always "too tired" to be a companion and playmate to husband and children should first of all suspect the kidneys. When they are affected, good health, even life itself, is in danger. Foley Pills diuretic, a reliable valuable medicine constantly in use over 25 years, promotes sound health by stimulating kidneys and bladder to a normal healthy activity. Men and women everywhere use and recommend them. Guaranteed. Altamont Pharmacy, Altamont; Jasper Tork, Voorheesville; Emily G. Crear, New Scotland; Stanley Williams, Knox—Adv.

Cornell has a new free bulletin on how to lower the cost of housing poultry. A postcard addressed to the publication department, college of agriculture, asking for E 180 will bring it.
