"THE POOR RICH" TO BE FILMED AT I. O. O. F. HALL

Two of the nation's most capable gloom dispellers, Edward Everett Horton and Edna May Oliver will be seen in "The Poor Rich," in the Voorheesville theatre on Saturday night, this week. "The Poor Rich," is one of the laugh sensations of the season. Assisting the stars in their diverting and nonsensical rout of hard times is a cast including such well-known names as Andy Devine, Leila Hyams, Thelma Todd, Una O'Connor, John Miljan, E. E. Clive and Grant Mitchell. If the depression has given you a sad feeling take this opportunity of cheering up by seeing the depression in retreat before the brightest, drollest pair in Hollywood.

Horton and Miss Oliver play the roles of two scions of a wealthy family which has, with the depression, quite gone to seed.

The picture will tell you the rest of the story. Additional attractions will be a comedy and a short.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Refuse "something just as good", for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. © 1933, C. M. Co.
